

## **SPPA Executive Meeting Minutes – May 11, 2021**

**Present:** Cathy Becker, Corine Reid, Rod Ellis, Ann Blyth, Annie Fearon, June Curtis

**March Minutes:** Approved

**Treasurers Report:** \$6437.75

Cheques paid out for: Zoom, court building manual and website fees

### **Fundraising Report**

Ann reported on her conversation with a member of the Vernon Pickleball Association regarding their fundraising campaign. The main details can be seen on their website.

### **Presidents/Facilities Report**

Central Saanich approved the lining of pickleball courts in the lacrosse box as a pilot project for 2021.

They are available starting in August and they wish to block off some periods each day for roller hockey.

We have not yet heard from Sidney regarding new courts.

Membership for PCO expires June 30<sup>th</sup>.

### **Old Business**

Liability insurance for the executive expires July 1, 2021. New memberships with PCO will renew the policy.

Executive members will brainstorm benefits to members at the next meeting.

Monitoring of the pickleball courts at 4:00 on Sunday was a success and to the best of our knowledge no one played after hours. An email will be sent to North Saanich summarizing our involvement in this initiative.

A motion was passed to bring a motion to the AGM to change our fiscal year to align with PCO.

### **New Business**

The executive will take 5 minutes at the end of each meeting to brainstorm ideas for a monthly update to our members.

We will investigate the insurance benefits for members of PCO.

Cathy reported on the townhall meeting hosted by the BC Pickleball Association committee for Youth in Pickleball.

We discussed how committees were working and reaffirmed that committees report to the executive. Corine is stepping down as chair of the Facilities Committee. A member of each committee will email information to the President of SPPA and CC all executive members. Actions will be voted on by the executive.

It was suggested that we approach North Saanich to put up a sign promoting membership in SPPA.
