## FOR IMMEDIATE RELEASE

# Saanich Peninsula Pickleball Association to Host “Introduction to Pickleball” Open House

Brentwood Bay, BC – The Saanich Peninsula Pickleball Association (SPPA) will host an “Introduction to Pickleball” Open House at The Brentwood Bay Community Hall, 7082 Wallace Drive, Brentwood Bay, BC on Saturday, June 4, 2022, from 2:00pm to 4:00pm.

The Open House will give newer players the ability to try their hand at the sport and build a good foundation for the future. Experienced players will be available to explain the rules, demonstrate the skills needed and to play actual games. There is no charge to participate.

Pickleball has become the fastest growing sport in Canada with more than a half million throughout the country playing regularly. With many schools now offering it as part of their physical education curriculum, it has become a true family activity that all ages can play.

“Many people on the Saanich Peninsula are interested in learning the game, but are not sure where to begin,” said Rod Ellis, SPPA President. “Our goal in sponsoring this Open House is to offer information and instruction for them to get started and meet fellow players.”

The SPPA is a non-profit organization formed in 2017 to represent the interests of pickleball players on the Saanich Peninsula. It provides the opportunity to network with other players and organizes tournaments and social events.
