AGM

When and where to hold the Annual General Meeting was discussed.
The possibility to hold it outside at BIRCH ROAD park was put forward, this of course would be weather related. A tentative date of September 12th was chosen. Corine was to check the constitution to see how flexible we could be on holding the AGM.

Complaints had been received by North Saanich Municipality re noise levels generated by Pickleball play.

After much discussion it was decided that we would remove the practise board. Motion made by Sheena and seconded by Brenda. We also discussed the possibility of reducing playing times to 8 a.m. to 8 p.m.

Corine to write a letter to Mayor and Council of North Saanich in which one of the recommendations would be the possibility of installing a sound barrier.
