### **Old Business**

Helen had discussions with Panorama about the upcoming season at Greenglade so they could print their calendar.

A call will be put out on Facebook for new executive members.

### **New Business**

The lacrosse box drop-in has started. Rod is monitoring the number of players, which ranged from 4 to 10 players in the first 2 weeks. Corinne may host an evening drop-in. The evening will be determined by an on-line survey on Facebook.

School gym rental was discussed and will not go ahead, at this time, based on how it went in the past.

Signs for renewal of membership will go up at Wain Rd. and the lacrosse box.

Approximately ½ of the 2020 members have already renewed.

AGM will be held on Sept. 18 with a social to follow.

Wasp traps will be purchased for Wain Rd.

New players have reached out through the website and will be contacted for an introductory lesson.
